Email : aslamptgc@gmail.com

(Currently living in UAE on visit visa valid upto 21-Apr-18)

## **Professional Summary**

---

- Reliable and highly skilled Mechanical Engineer with an exceptional record of successful emergency management. Able to adjust work pace to meet variety of unexpected situation.
- Worked in the areas of boiler pressure part, boiler structure including primary structure and secondary structure, welding inspection, project planning and control.
- Valuable experience at managing erection activities involving resource planning, in-process inspection and coordination with internal and external departments.
- Strong skills in project planning, manpower planning, monitoring project progress, ensuring control & maintaining project requirements.
- Capable of setting priorities, developing a work schedule, monitoring progress towards goals and tracking details / data / information / activities.

## **Work Experience**

---

### **Mechanical Engineer**

#### **Peekeyem Constructions Private Limited.**

Duration: August 2015 -December 2017

1. BHEL Boiler Construction, August 2015 –September 2016  
Name of Project: NTPC Mauda 2x660MW Supercritical Thermal Power Plant, Maharashtra, India.
2. L&T MHPS Boiler Construction, September 2016 – December 2017  
Name of Project: 2x660 MW NTPC Khargone Ultra Super Critical Power Plant, MP, India.

#### **General Responsibilities:**

- Planning for the project and putting Schedule for the execution of the project.
- Responsible for the procurement of material and implementation.
- Preparation of Erection schedule to meet the target within planned time frame.
- Erection of steel structures (Primary structures and Secondary structures) as per drawing.
- Inspection of steel structures (Alignment & Bolt tightening).
- Manpower handling, planning of daily activities and supervision.
- Responsible for the implementation of safety standards at the project site by ensuring that all relevant norms are employed effective.
- Pre-assembly of ceiling girders and pressure parts.
- Alignment and Bolt tightening of ceiling girder.
- Preparation of quality documents, WPS, PQR and WPQ.
- Monitoring daily and weekly progress of erection, fit up, welding and NDT clearances.
- Distribution of work among workmen according their skill.
- Coordination and regular inspection activities with project managers and QA/QC engineers.
- Dimensional inspection of various Structural components as per the given drawing and IS Standards.
- Pre assembly and erection of pressure parts systems like water wall panels, economizer system, super heater system, de-super heater system.
- Erection of power cycle piping like main steam, Boiler feed water discharges piping with Supports are maintained with respect.

- Fitment inspection of pressure parts.
- Hydraulic test of pressure parts.
- Maintaining all Erection and Alignment protocols of boiler systems, Radiographic test reports, IBR Related documents, welder qualification test records etc.

---

## Education and Qualification

---

- BE Mechanical Engineering  
Srinivas School of Engineering, Mangalore (Visvesvaraya Technological University)
- Higher Secondary Education  
MSM HSS Kallingalparamba (Board of Kerala)
- SSLC  
MSM HSS Kallingalparamba (Board of Kerala)

---

## Language Proficiency

---

Speak : Malayalam, English, & Hindi  
Read and write : Malayalam, English, & Hindi

---

## Awards and Achievements

---

- Active member in all symposiums conducted by our department.
- Presented a paper on “Nano Robotics” in Srinivas School of Engineering.
- Conducted a project on “Experimental investigation of the effect of injection pressure and injection timing on performance and emission characteristic of a diesel engine with diesel and biodiesel blend”.

---

## Software Skills

---

- Able to handle system requirements on job and personal.
- MS Office.

---

## Personal Profile

---

Permanent Address : Poozhithara House, Kuruka PO, Malappuram, Kerala -676551  
Date of Birth : 07-05-1991  
Nationality : Indian  
Passport No : P0918951  
Visa expiry date : 21-Apr-18

---

## Declaration

---

I hereby declare that the information furnished above is true and correct to the best of my knowledge and belief.
