---

## **OBJECTIVES**

Civil engineering graduate looking to upgrade present skills continuously and effectively use the skills to meet new challenges in the future.

## **EDUCATIONAL CREDENTIALS**

- **BE Civil engineering** from BMSIT&M, Visvesvaraya Technological University, Bangalore (INDIA) in the year 2018.
- Certificate in construction management from DOT IT, deigning and technological solution in the year 2018.
- Class 12 from Indian school R.A.K, CBSE, R.A.K (U.A.E) in the year 2014.

## **INTERNSHIP AND PROJECT**

- **INTERNSHIP**

**Company:** New Consolidated Construction Company Limited (NCCCL).

**Description:** Training in site execution work which include casting of RCC structure, masonry and finishing works.

- **PROJECTS**

1. **Title: HIGHWAY SURVEY PROJECT.**

**Description:** To conduct primary and detailed investigation to align the new road between two obligatory points by conducting necessary survey.

2. **Title: OLD TANK SURVEY PROJECT.**

**Description:** To improve the capacity of the old tank which is reduced by silting and also to improve the conditions of the existing bund.

3. **Title: NEW TANK SURVEY PROJECT.**

**Description:** The purpose of NTP is to build an earthen bund across an existing water Source.

4. **Title: WATER SUPPLY AND SANITARY SURVEY PROJECT.**

**Description:** To supply the water which is potable to the population and to convey the waste water generated to the oxidation pond to treat it.

- **FINAL YEAR PROJECT**

**Title:** Effect of glass fiber reinforcement on compression and shear strength of red and black cotton soil.

**Description:** to find the effects of glass fibers on the properties of Red soil and Black cotton soil. The properties include liquid limit, plastic limit, plasticity index, maximum dry density, optimum moisture content, unconfined compressive strength, confined compressive strength of the soil.

- **TECHNICAL SEMINAR**

**Title:** MODULAR CONSTRUCTION USING LIGHT STEEL FRAMING.

**Description:** Modular construction is a term used for the factory production of pre-engineered building units that are delivered to site and assembled as large volumetric components.

### **COMPUTER CREDENTIALS**

- AutoCAD
- AutoCAD CIVIL 3D
- STAAD.PRO
- ETABS
- REVIT ARCHITECTURE
- QTO

### **EXTRA CURRICULAR**

Attended VTU inter collegiate athletic meet for the years 2014-15 & 2015-16.

### **PERSONAL DETAILS**

Date Of Birth	:	25/05/1996
Sex	:	Male
Marital status	:	Single
Nationality	:	Indian
Languages Known	:	English, Malayalam, Hindi, Tamil (conversational), Kannada (conversational).

I declare that the above particulars are true and correct to the best of my knowledge.
