**Sub:- Application for the post of Site Engineer.**

Sir,

I wish to apply for a suitable position of Site Engineer with your esteemed Organization.

As regards my qualifications, I did **Civil Engineering** in 2017 from Gujarat Technological University, Gandhinagar, Gujarat, India. However, my detailed C.V. is attached herewith for your favorable consideration.

**I have been working on Technical Side of the project Starting from preparation of Bar banding Schedule, manpower & material planning, preparing activity Bar Chart, Site Execution maintaining all types of Safety Requirements.**

I Hope you would be kind enough to give me a chance to serve with your company.

Thank you,  
Yours faithfully

ASHIT R. SHAH
