

## YASSIN ABDALGWAI ABDALRAZIG EDRIS

UAE, Dubai

**Nationality:** Sudanese

**Birth Data:** 6th. April 1993

**Marital Status:** Single

**Mobile:** 0522629560 /0501109856

**Email:** [Yassinkiro@gmail.com](mailto:Yassinkiro@gmail.com)

### Objective

---

*Survey engineer specialized in the field of initial studies and engineering consultancy for the purposes of various engineering projects like construction, pipe lines, Roads, transmission lines, water harvesting and highway projects, Geodetic Net work Design, Dams Deformation Monitoring.*

---

### Qualifications:

□

---

*B Sc, Surveying Engineering, Khartoum University, Faculty of Engineering and architecture 2016.*

---

•

### International Certificate :

---

*IOSH (MANAGING SAFELY).*

---

## **Work Experience:-**

---

**Ministry of Electricity and Water Resources, Survey Engineer, Dams implementation unit : 19/2/2017 to 19/2/2018:**

*Follow up Dam Deformation Monitoring with high precision Instruments.*

- *Participated in the preparation of operational plan for the surveying department.*

*Prepare the progress report (Daily, Weekly, Monthly and Annually Reports).*

*Participated in the Training of new Engineers and Trainers.*

*Supervision of technicians and labors in the surveying department.*

**RIJALALUA INVESTMENT CO.LTD, 1/3/2018 to 29/5/2018:**

□

*Supervisor of survey team work (technicians and labors) • Worked as survey engineer in levelling works and Benchmark transfer.*

---

□

---

**Dar Consult 1/6/2018 to 1/8/2018**

*Worked in primary studies of ALDMAZIN – GAYTHAN Road. • Worked as survey engineer in levelling Benchmark for link GPS Benchmark.*

---

## Relevant training:

---

*Land survey& Photography -Sabaloga, Organized by (U.of.K) □*

*Corse in GPS 15, Leica 1200, Viva GNSS Organized by (DIU Co ).*

*Geodetic Network Adjustment using Mat lab software Organized by (University of Khartoum –Training Centre).*

*Preparation of Survey works Contracts and survey work specifications Organized by (University of Khartoum –Training Centre).*

*Corse in Digital Level (DNA) 03, Organized by (DIU Co).*

***Diploma of Quantity** Surveyn in ZOHAL training Centre.*

*Course in **AUTOCAD CIVIL3D** in ZOHAL training Centre.*

*Course in **EARTH WORKE** in ZOHAL training Centre.*

*Course in **QUANTITY Of EXCEL** in ZOHAL training Centre.*

*Course in **PRIMAVERA P6** in ZOHAL training Centre.*

*Course in **PLAN SWIFT** in ZOHAL training Centre.*

*Course in **CONTRACTS FOR ENGINEERING PROJECT** in ZOHAL training Centre.*

*Course in **SPECIFICATIONS FOR ENGINEERING PROJECTS** in ZOHAL training Centre.*

□

---

## Technical Skills:

---

*Able to deal with survey instruments such as :*

□                      □                      □  
*GNSS, GPS 15 leica DNA 03. TOTAL STATION Navigator .*

*GIS (Arc map ,Arc Info ,.....etc).*

---

□

## **Other Skills**

---

*Good knowledge of Modern survey principles, methods, techniques, and instruments related to land survey, construction surveys, and public works projects.*

*Good knowledge of Principles, practices, rules, and regulations governing land surveying.*

*Perform supervisory responsibilities over others.*

*Work cooperatively with others.*

□

*Good knowledge of English both written and spoken Keep accurate records of survey data.*

*Environments (easily communicate with others).*

*Able to work under any working circumstances.*

---
