Email ID: imranchouhan606@gmail.com

Contact No.: +971522800918

Core Competencies

Mechanical Engineering

Manufacturing

Production

Client Relationship Management

Project Execution

Quality Control & Assurance

Mechanical Operations

Reporting & Documentation

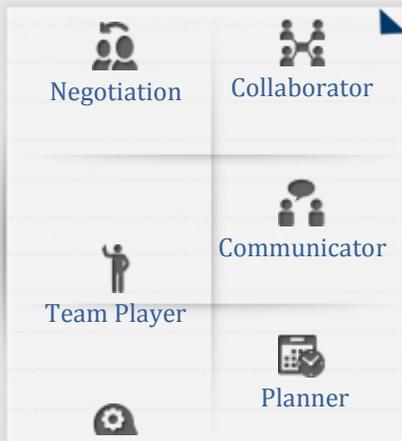

B.Tech. (Mechanical Engineering) professional with over 3 year of experience in Manufacturing and Production industry; targeting assignments in Mechanical Engineering with an organization of high repute, preferably in Mechanical industry

Location Preference: Anywhere in UAE

Profile Summary

- Last associated with **GNG Enterprises, Jaipur as Mechanical Engineer** thereby engaged in Investigate equipment failures and difficulties to diagnose faulty operation and to make recommendations to maintenance crew.
- Confer with engineers and other personnel to implement operating procedures, resolve system malfunctions, and provide technical information
- Acquired knowledge of Mechanical Areas which includes **Manufacturing, Production at large scale as well as small scale, Design of Mechanical Elements, CNC Machines, Hydraulic Machines, Various Non Destructive Testing Methods, IC Engines and many more**
- Comprehensive knowledge of managing projects, with a proven track record of executing **Mechanical Projects**
- Resourceful in **on-site activities to ensure completion of project** within the set parameters and delivering the project to the client on time
- Skilled in planning, executing and spearheading projects involving design coordination, value engineering, quality assurance/control, and resource planning
- Research and analyze customer design proposals, specifications, manuals and other data to evaluate the feasibility, cost and maintenance requirements of designs or applications.
- **Excellent relationship management, analytical and negotiation skills** with skills in swiftly ramping up projects in coordination with clients, contractors, vendors and consultants

Education Timeline

- AutoCAD
- 3d Max
- CNC Simulation
- Microsoft Office tools

July'15-October'18 GNG Enterprises, Jaipur as Mechanical Engineer

Key Result Areas:

- Designed and prepared an audit report for RO which is belongs to IOCL.
- Read out the parameters of each earth-pit which are connected by DU machines and storage tank
- Assist in the installation of MEP work
- Interfaced with the Process Engineers and engaged in following up, evaluating, presenting reports on trial materials according to designated schedules
- Analyzed mechanical requirements to determine feasibility of design
- Conducted mechanical design in AutoCAD, and worked in word processing, adobe, project scheduling, and spreadsheet
- Anchored activities to ensure completion of project within the time & cost parameters
- Assist in the testing and commissioning of MEP equipment
- Ensure that MEP Subcontractors adheres to Project safety regulations.
- Ensure that MEP Subcontractors provides and adheres to relevant Quality documentation/records
- Coordination and administration of MEP related materials, systems and shop drawings submittals
- Direct, monitor and control the activities of MEP Subcontractor

- B.Tech. (Mechanical Engineering)** from Rajasthan Technical University, Kota in 2015
- 12th** from Rajasthan Board of Secondary Education (RBSE), Rajasthan in 2011
- 10th** from Rajasthan Board of Secondary Education (RBSE), Rajasthan in 2009

Date of Birth: 09 May 1992 || **Languages Known:** English, Hindi & Urdu
Address: Al Manakh, Sharjah, UAE || **Nationality:** Indian || **Marital Status:** Unmarried || **No. of Dependents:** 0 || **Passport No.:** N8613434 || **Visa Status:** Visit (Valid Till March'2019) || **Driving Licence No.:** No
