

البيوادي لمقاولات الطرق ذ.م.م
AL BAWADI ROAD CONTRACTING L.L.C

Company Profile

1. INTRODUCTION

Al Bawadi Road Contracting company was established in 2006 of March as a union of a group of versatile Engineers who are working in various projects in Abu Dhabi, Dubai, Al Ain and Sharjah as Project Managers for the last 15 years.

We “as Road Contractor “ all our key staffs are well specialized in roads, infrastructure, electromechanical equipment, water pipeline installation, civil, drainage and sewerage, earthworks and based on the latest equipments and vehicles in the market, under the supervision and well organized management.

Al Bawadi Road Contracting has the capability in almost all the discipline of the construction.

At Al Bawadi Road Contracting, our philosophy begins with commitment; this commitment is simple yet crucial in the overall success of a project. It contains the completion of our projects on time and on budget , with quality as the utmost concern.

2. COMPANY VISION & MISSION

Our Vision:

Projects completed on-budget, on time and meeting all quality and safety requirements.

To create an exceptional shareholder value through building and maintaining projects in partnership with customers who inspire growth development.

Our Mission

Pride itself on the timelines of its services. We recognize that nothing is more important to the success of its clients than being able to depend upon the local transport & construction supplier for the honest answers and on time delivery.

We can give our best service at all times with competitive price than other company offers you.

3. CORE VALUES

Team Work

Together everyone Achieves more. Teamwork and success go hand-in-hand

Excellence

We offer nothing but the best through a focus on delivering high quality services and continuously improving ourselves and our work.

Integrity

Integrity is a necessity – honest, open communication and professionalism drive each and every interaction.

Dedication

Every Individual is committed to the success of each interaction to the best of his ability.

Creativity

The environment at Al Bawadi enables individuals to be imaginative, innovative and to think outside of the box.

Experience

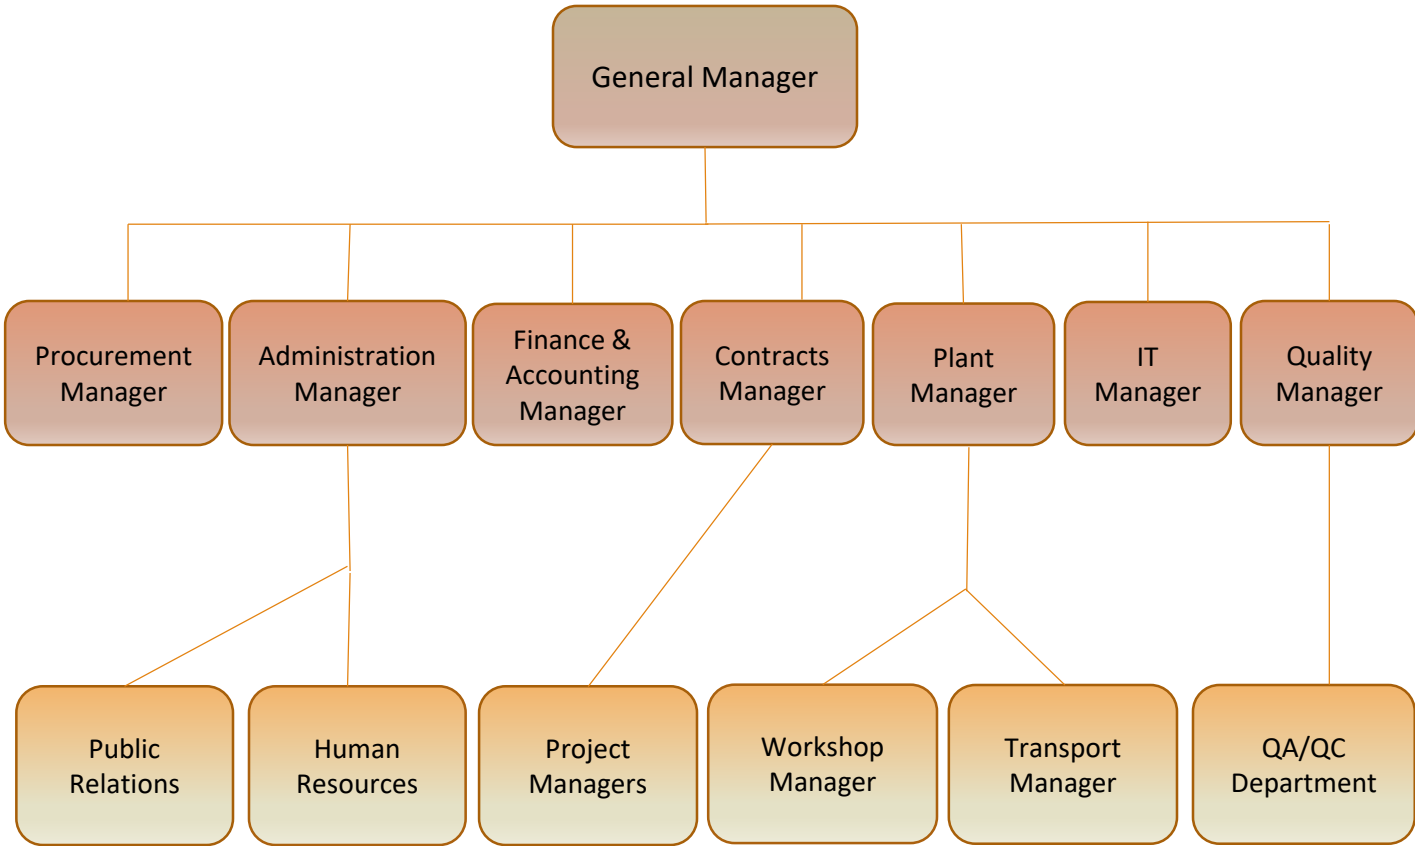

Work smarter and accurate to implement.

4. CAPABILITIES & EXPERIENCES

Al Bawadi have established operational control procedures relating to cost and scheduling, centralized procurement and stores, subcontract management, problem resolution, hazard and risk management.
